## Bypass the site security warning

1. Click "More Information"

2. Click "Go on to the webpage (not recommended)"

## **Open Journal Browser in Internet Explorer mode**

If enter your username and password and nothing happens this is normally because the Journal Browser has not been opened in **Internet Explorer** mode. Follow these directions to add Journal Browser to the Edge Internet Explorer expectations list.

1. Click the "..." menu on the right-hand side of Edge and select "Reload in Internet Explorer mode"
